

Exclusive \$1,000 Off Offer

Redhawk Roofing & Astrawatt Solar

A Powerful Partnership for Your Energy Savings.

Redhawk Roofing has partnered with Astrawatt Solar, a trusted local solar installer known for providing high-quality, affordable solar energy solutions. Through this partnership, we're offering exclusive savings and expert guidance to help you transition to solar with confidence.

The Benefits of Going Solar with Astrawatt Solar:

Save Money – Lower or eliminate your electricity bill.

Affordable – Go solar with zero down and start saving month one

Back-Up Power – Gain peace of mind and protect your home from grid outages

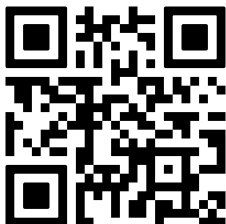

Energy Independence – Stop renting your power and add value to your home

Why Astrawatt Solar?

At Astrawatt Solar, we do solar right. We're committed to quality, transparency, and customer satisfaction from start to finish.

Exclusive \$1,000 Off Offer

As part of this partnership, customers referred through Redhawk Roofing will receive \$1,000 off their solar installation.
