

Dear Clients, Staff, and Community Partners,

We are writing to share an important update: After nearly 6 years of commitment to our community, Bridgeway Clinics will be closing. During the month of October, our clients and staff will transition to our newly opened sister clinic, Archway Mental Health and Wellness Center, Missouri.

While the Clinic name, ownership and leadership is changing, the people many of you know and trust will remain the same. Clients can expect to continue working with many of the same providers and front office staff, as well as some new providers supported by a new MD, and an enhanced overall care approach through Archway Mental Health and Wellness Clinics.

This transition is designed to provide continuity, stability, and improved support for everyone we serve. Our team is committed to making the move as smooth as possible and ensuring clients continue receiving compassionate, consistent care.

Additional details regarding scheduling, contact information, and next steps will be shared directly with clients and staff. Thank you for your continued trust and partnership during this transition.

Sincerely,

The Bridgeway Clinics and Archway Mental Health Team
