

# Why Support PFSC?

Are you passionate about conserving the natural resources and wildlife of Pennsylvania and protecting our Second Amendment Rights?

Do you enjoy hunting, fishing, trapping, or shooting sports?

If so, you should be supporting the  
Pennsylvania Federation of Sportsmen and Conservationists (PFSC).

PFSC is the largest and oldest conservation organization in the state, representing over 70,000 members and affiliates.

PFSC advocates for the rights and interests of sportsmen and conservationists at the local, state, and national levels, providing education, training, and outreach to promote and protect responsible and ethical use of our natural heritage.

By becoming a member or Partner of PFSC, you will be part of a community of like-minded people who share your values and passions. You will also receive a subscription to our quarterly magazine and monthly e-newsletters.

To support PFSC, simply visit our website or contact us at [info@pfsc.org](mailto:info@pfsc.org) or 717-232-3480.

You can choose from different membership & partnership levels and payment options to suit your needs and budget.

Don't miss this opportunity to support the conservation and sportsmen's causes that matter to you!

Support the PFSC today and help us make a difference for  
Pennsylvania's wildlife, natural resources and the  
Second Amendment.
