# SNAP Talk – School Transport: We want to hear from you

This is our first of, hopefully, many SNAP Talk sessions, these are opportunities for parent carers to come together, share experiences and help shape the work of SNAP PCF.

We want to make sure your voices and lived experiences are heard where it matters most.
Central Bedfordshire Council will be holding an Extraordinary Sustainable Communities Overview and Scrutiny Committee meeting on Thursday 26 November 2026 to discuss local school transport.

Our Director, Kirsty Green, has been invited to attend this meeting as a co-opted member of the committee, representing the collective views and experiences of parents and carers.

**To do this successfully , Kirsty needs to hear directly from families about what is happening with school transport across Central Bedfordshire. She can only represent what parents share with SNAP PCF, so your feedback is really importan**t.

We are holding an informal online drop-in session to give you an opportunity to share your experiences, raise concerns and tell us what is working well and what needs to change.
Whether your child's school transport is working brilliantly, you are facing daily challenges, or your experience is somewhere in between, we want to hear from you.
