

**SNAP PARENT CARER FORUM**  
CENTRAL BEDFORDSHIRE

## **Parents information & guidelines when attending our events.**

### **Welcome**

Thank you for booking to attend our event. Please support us by helping to ensure our events are a compassionate space where you can connect, learn, and share with others who understand the SEND journey.

We know that caring for a child or young person with SEND can sometimes bring both challenges and emotions, and we really appreciate you taking the time to join us.

Please support us in creating an environment that is kind and inclusive for everyone.

### **Our 6 C's – The SNAP PCF Values**

These shared values guide everything we do to support families and work alongside professionals. They also help us to make sure every event feels safe, positive, and productive for all who attend.

#### **Communication**

Please speak openly and respectfully with one another.

- Listen with empathy and patience.
- Ask questions kindly and allow others the space to respond.

#### **Co-Production**

We believe in working together as equal partners.

- Value each person's experience and contribution.
- Share ideas and feedback in a way that builds understanding and collaboration.

#### **Care**

Kindness and empathy are at the heart of what we do.

- Be mindful that everyone's SEND journey is unique.
- If you feel overwhelmed, take a short break or speak with a member of the SNAP PCF team, we are here for you.

**Consistency**

We aim to create a welcoming environment for all.

- Be aware of and respect the feelings of others in all conversations and interactions.

**Clarity**

We are committed to being clear and transparent in all communication.

- Ask if something is not clear, we are happy to explain.
- Offer feedback in a calm and constructive way.

**Commitment**

Together, we build a SEND community based on respect and support.

- Help us make our events a success for every family, professional, and organisation present.

=====

**Please Respect Privacy and Enjoy Our Events**

Please do not record our events or workshops without written permission. Always respect the privacy and confidentiality of others. By attending, you are helping to create a kind, supportive, and empowering space for all families and professionals in the SEND community.

Together, through the 6 C’s Framework, we can try and make a positive difference.

**Thank you for supporting SNAP Parent Carer Forum.**
