RE: Team Sponsor of the 2020-2021, Lumpkin County Rifle Team

It is with great excitement the Lumpkin County High School Rifle team is requesting your support through sponsorship of the team. Your financial generosity will provide for the purchase of much needed equipment, offset expenses incurred throughout the season, and provide students with a continuing opportunity to achieve excellence through sports.

The LC Rifle team is the 2012 GHSA State Champions, 3rd place in the 2013 State Championships, 1<sup>st</sup> in the state of Georgia during the American Legion National Championships and placed 15<sup>th</sup> in the Nation. The team earned 3rd place in the 2014 State Championships, 2<sup>nd</sup> place in the JROTC Army National Championships and 2<sup>nd</sup> in the All Service National Championships. In 2015 the team was undefeated in regular season, Area 6 champions and placed 10<sup>th</sup> at the State Championships. In 2017 the team was again undefeated in regular and post season competitions and placed 6<sup>th</sup> in the state Championships. In 2018, the team placed 8<sup>th</sup> overall in the GHSA state championships.

Your support provides Lumpkin County shooters opportunities to advance their skills at the GHSA State competitions, JROTC All-Service National Championships, the Junior Olympics and be competitive for college recognition and recruitment. We have two levels of sponsorship that you can help support the team.

**GOLD**- With your donation of **\$300.00 or more**, a logo of your business will be displayed on our sponsor board at the New LCHS Rifle Range announcing support of this championship team and receive a signed season poster from the team.

**PLATINUM**- With your donation of **\$600.00 or more**, you will receive the benefits of a Gold Member and your business will be announced as a lane sponsor before each home match and you will receive official Rifle Team spirit wear.

We greatly appreciate your consideration for sponsorship and support of our mission to promote a spirit of school pride and professionalism within the Lumpkin County Riflery program.

Sincerely,

*Ron Fugate*
