

A DENAC event  
for suppliers of  
the northern  
industry in Mexico

**Expo  
Electronic  
Assembly**

**April  
21-23  
2021**

Complejo Polanco  
Juarez, México

Materials, equipment and support equipment  
for the electronics industry

This expo showcases all the products and services for the electronic assembly industry.

It provides all of México and midsouth USA companies to meet and learn more of products and services offered by suppliers from all over the world.

#### Industry focus:

## THE NEW EPICENTER FOR ELECTRONICS SUPPLIERS

**Expo Electronic Assembly will be promoted in main cities from Mexico, including Guadalajara, Monterrey, Chihuahua City, Queretaro, Guanajuato and Puebla, which have important electronic products manufacturing hubs.**

[www.expoelectronicassembly.com](http://www.expoelectronicassembly.com)

Suppliers of all items and components used in the manufacture of electronic products and all the machinery required for assembly, programing, inspection, testing, processing, packing, and handling.

## WHO WILL EXHIBIT?

**Expo Electronic Assembly will be promoted in main cities from Mexico, including Guadalajara, Monterrey, Chihuahua City, Queretaro, Guanajuato and Puebla, which have important electronic products manufacturing hubs.**

[www.expoelectronicassembly.com](http://www.expoelectronicassembly.com)

Ciudad Juarez offers a unique logistic convenience for exhibitors from USA and all México. Temporary permits and transportation of delicate machinery can be monitored and controlled safely.

Many of the industry decision makers in Mexico from main manufacturing hubs can have easy access with a direct plane fly.

A local experience for all attendees from Mexico with influence in the electronic industry.

## WHY CIUDAD JUAREZ?

**A transparent solution for USA exhibitors** without the need to go deep in the country and the hassle of international exhibitions.
