EXPO  
MAQUINARIA

MORE THAN NEVER RENEW YOURSELF!

## WHY CIUDAD JUAREZ?

Ciudad Juarez offers a unique logistic convenience for exhibitors from USA and all México.

Temporary permits and transportation of delicate machinery can be monitored and controlled safely. Many of the industry decision makers in México from main manufacturing hubs can have easy access with a direct plane fly, making it a local experience with an international suppliers presence.

A transparent solution for USA exhibitors without the need to go deep into the country and the hassle of international exhibitions.

EXPO MAQUINARIA will be promoted in main cities from Mexico, including Guadalajara, Puebla, Monterrey, Chihuahua City, Queretaro and Guanajuato, which have important metal processing hubs.
