## 1. Screening Covid-19

1.1). Ms. Nora has been double vaccinated and will continue to self-screen for any possible symptoms. She will only teach in person when completely symptom free. In case of any possible Covid-19 symptoms, lessons will be switched online.

**Note:** While we ask all clients to email self-assessment results to [musicsteps@gmail.com](mailto:musicsteps@gmail.com) prior to heading to the studio, it might not always be feasible to monitor and ensure that all students and parents scheduled to attend the lessons have completed the self-assessment. Random checks will be done, and emails will be sent to those who fail to submit the self-assessment. We kindly ask you to do your part in helping us keep our studio safe for everyone!

1.3). Your teacher will also conduct visual check to ensure class participants do not show symptoms of illness including cough, runny nose or difficulty breathing, taking into consideration medical/ allergy conditions we have been previously notified of.

1.4). Any students/ parents who do not meet the screening requirements will be asked to leave the studio and join the class online.
