

"INTERSHIPS AT APEX BIOTECH"

About APEX BIOTECHNOLOGY TRAINING AND RESEARCH INSTITUTE

APEX BIOTECHNOLOGY TRAINING AND RESEARCH INSTITUTE is the first biotechnology training and placement institute located in Chennai, the southern part of India. The ABTRI is equipped with state-of-the-art bio-analytical lab spread over more than 4000 sq ft. The prime focus of the institute is to develop industrial ready work force as well as biotechnological entrepreneurs.

Why Internships/in-plant training in Life Sciences Degree?

To make industrial ready workforce only achieved by prior exposure to the industrial set up through which, you will be acclimatized as team worker; interacting with end users; developing specific technologies and products. Developing prototype biotechnology products may be helpful in pushing you in best career; and foremost improving your writing and oral presentation skills.

Biotechnology Internships/In-plant Training thrust areas:

The Apex Biotechnology Training and Research Institute are collaborated with many companies and offer an array of Internship areas to pursue your working skills are follows:

- ❖ Food Biotechnology
- ❖ Bio-Pharma Technology
- ❖ Agriculture Biotechnology
- ❖ Molecular Cell Biology and Genetics*
- ❖ Plant Tissue Culture
- ❖ Animal Cell Culture*
- ❖ Environmental Biotechnology
- ❖ Enzyme Technology
- ❖ Herbal Technology
- ❖ Marine Biotechnology
- ❖ Nano-biotechnology
- ❖ Bioinformatics
- ❖ Other Biotechnology Areas of Student interest

* Different fee; please inquire for fee details

Salient Features

- ✓ Skilled Trainers / Scientific Officers
- ✓ Personalized Hands on Training
- ✓ Spacious Labs AIR-CONTIONED
- ✓ State-of-the-art-Infrastructure
- ✓ Wi-Fi Network for Students
- ✓ Affordable Fee Structure
- ✓ Publication Assistance
- ✓ Well Connected Transport Facility

- ✓ Good Post-Training Relationship
- ✓ Placement & Higher Study Arrangements

Apply to the Internships/In-plant Training

The Apex Biotechnology Training and Research Institute accept registration throughout the year. The registration form can be downloaded at <http://www.apexbiotechtraining.in/training.html>
