| We present Beyoncé’s whisky. No, seriously. The iconic singer honours the legacy of her great-grandfather Davis Hague, who made whisky four generations ago with a unique blend of whiskies that bears his name: SirDavis. The whisky was crafted by the man who makes Glenmorangie and Ardbeg, Dr Bill Lumsden. The mash bill is 51% rye and 49% barley and SirDavis underwent a secondary maturation in sherry casks. It was finished, blended, and bottled in Texas. |       |

| This tequila shows how misguided stereotypes of tequila can be. Jose Cuervo Reserva de la Familia is one of the first extra-añejo tequilas to to come onto the market. It is created exclusively from hand-cultivated blue agaves, harvested when at full maturity, after seven to twelve years of growth. This high quality tequila has been aged in French and American oak barrels for at least three years. |        |
