

The Antlers

A Wyndham Hotel

PARKING INFORMATION

The Antlers underground parking garage can be located from the north side of the building on Pikes Peak Ave, or on the west side on Sawatch St. When you pull into the garage, get the pink ticket from the dispenser. Follow the Antlers signs to get to our elevator banks on all 3 levels of parking. Please bring this ticket in with you and get it self-validated at the Front Desk after your event. The validation machine sits at the end of the Front Desk. Once you have the ticket validated, do not put it by your phone! This tends to demagnetize the parking ticket.
