AirBoss Cirrus Getting Started Guide

If you've already experienced the excitement of training in a Cirrus and are looking to rent one, let us know. Email us at TheAcademy@flyairboss.com and one of our team members will help you become a member.

If this is a new adventure, you've made an excellent choice to train in the plane that transformed an industry. First, schedule an appointment to become a member with an Airboss Representative and with your Academy Cirrus Standardized Instructor Pilot (CSIP) or Cirrus Trained Instructor (CTI). They will help you with the steps below to get you in the air before you know it!

- Apply for your Student Pilot Certificate <https://iacra.faa.gov/IACRA/default.aspx>
- Register for MedExpress
<https://medexpress.faa.gov/medexpress/>
- Schedule an appointment with an Aviation Medical Examiner (AME)
<https://www.drkitslaar.com/>
- Register for Cirrus Approach and purchase Cirrus' Private Pilot Course
<https://cirrusaircraft.com/training/>
- Don't have an iPad yet? You'll need one and you won't regret it
<https://www.apple.com/store>
- Download ForeFlight to your iPad and purchase a Pro Plus subscription
https://foreflight.com/buy/#/pro_plus,included_geo_us

- Get your Cirrus Flight Operations Manual (iFOM) the Apple Store
<https://books.apple.com/us/book/flight-operations-manual/id1072487639>
