

# IKAVI Silicon Caps

## IKAVI Silicone Swimming Cap

IKAVI Thanks to the 100% high quality silicone material of the silicone caps, the smooth bonnet surface reduces friction and allows you to glide easily in the water.

### Product features

Produced using 55 gr 100% premium silicone.  
It does not contain carcinogens, allergens and fillers.  
It has a durable, easy to wear and comfortable design.  
Ideal for swimming lessons and swimming club training.

### Operating Instructions

Wet your hair before use.  
Rinse in chlorine-free water after use.  
Do not leave to dry under the sun.  
Avoid contact with sharp objects (ring, hairpin, long nails, etc.).
