Casualty Losses/Involuntary Conversions	
Bad Debts and Losses	
Annual Summary Cash Expenses	54-55

This book has been designed to assist you in organizing and accumulating information necessary to properly complete your income tax return as accurately as possible. Careful record keeping will help assist your tax professional to give you every deduction or credit permitted by the IRS. It will also assist in confirming both income and expenses if an occasional receipt or invoice is later missing. In addition to completing this record book, keep all receipts and supporting documents for both income and expenses. If you have questions regarding this record book, please contact your tax professional for assistance.

Auto and Truck (Gross Vehicle Weight less than 14,000 lbs.)

Enter all expenses related to your automobiles and small trucks. You must be able to substantiate the business use of these vehicles. Written records with expenses recorded at or near the time they are incurred are the most acceptable. Records are not required for vehicles that are clearly used most of a normal business day for business if you are willing to accept a 75% business use percentage of these vehicles.
