

Lines from Larry

Have you ever been told to “go fly a kite?” Depending on the way you would hear those words would depend on whether you seemed crazy or if you would go outside and play. We have had some crazy weather this year and some would say even some people saying some crazy things. If March is windy as usually, we might see a lot of things blown away. One thing will never change, the Word of God. If you are tired of all the craziness this world offers, dig into God’s Word because it is never crazy. Oh, yes, there are some crazy people doing some crazy things in the Bible, but God is always wise. James 1:5 says, “If any of you lacks wisdom, you should ask God, who gives generously to all without finding fault, and it will be given to you.” (NIV)

The reason I love Spring is because we begin to see new life. From beautiful flowers to butterflies, God brings forth new life. This is a great time to renew relationships. Revive the friendships and forgive one another for past failures. This is a great time to dig deeper into God’s Word and read it daily. Saturate yourself in living a holy life pleasing to God. Help someone who is struggling. Surprise someone with a gift of appreciation. Mend broken hearts and shattered dreams. Love the unlovable. Redeem the time and begin living life abundantly. If God loves the birds, then surely, we can learn to show our love to others. Think of ways RCC can demonstrate the love of God throughout Ramsey. Maybe, you could even help someone go fly a kite!

**Lines from Colin**

We are on the cusp of a new season (supposedly). Soon, plants will start to grow again, the weather will warm, and we can put our winter coats back into storage. In this coming season of thawing and new growth, I would encourage you to keep in mind not only your spring cleaning list, but your spiritual cleaning list.

It seems that the holidays brings times of great joy and great sorrow all at the same time. What are you still holding on to from the past few months? It seems that winter can enable us to bottle things up in the same way that we bundle up against the cold.

So as things start to grow and change once again, I would encourage you to search yourself, let God grow within you. Don’t let the past dictate how you act this year. Break free from the binds of sin that seem to cling.
