PROFESSIONAL SUMMARY

Driven and adaptable creative professional passionate about team building and customer-focused problem-solving. I am eager to secure an entry-level position in content creation and production or a role beyond the movie-making industry that leverages creativity, collaboration, and delivering outstanding results.

PROFESSIONAL EXPERIENCE

Content Developer & Computer Technician | Build Pro PC

September 2024 - Present, Los Angeles, CA

Manages gaming computer procurement, assembly, and shipping while ensuring consistent product quality and client satisfaction. Develops and executes engaging social media campaigns to promote products and drive brand awareness.

Bartender | Barragan's Mexican Restaurant

June 2024 - Present, Burbank, CA

Prepares and serves beverages while maintaining a welcoming environment for customers. Collaborates with the team to enhance operational efficiency and customer satisfaction. Provides backup coverage as needed.

Barista | Starbucks

August 2021 - June 2024, Riverside, CA

Fostered a welcoming atmosphere for customers while building strong team relationships and cross-training to handle all customer-facing duties. Prepared food and beverages with attention to quality and consistency.

Team Member | Chick-fil-A

November 2018 - May 2019, Rio Rancho, NM

Maintained high quality and customer service standards while managing food preparation and order processing. Recognized as "Team Member of the Month" for exceptional performance. Improved order accuracy and efficiency, reducing errors by 20%.

CORE COMPETENCIES & KEY ACHIEVEMENTS

Skilled in content creation, customer resolution, and team building. Graduated third in class at Tierra Encantada Charter School. Worked full-time through college, excelling in academics. Increased social media engagement by 20% and cut production time by 15% at Build Pro PC. Recognized for exceptional teamwork and service at Starbucks and Chick-fil-A.

EDUCATION

University of California, Riverside
