Add-on Panels

Increase privacy and add protection with our framed plexi or laminate add-on panels. Get the additional height while still maintaining an open feel with our clear plexi add-on panels or add additional privacy while still letting light in with our frosted plexi upgrade option. Featuring a quick connect locking bracket design, our add-on panels install easily onto any new or existing panel.

Sliding Doors

Get the privacy and separation you are looking for with our framed plexi sliding doors. Coming standard with frosted plexi, our sliding doors will give you the protection you need while still letting light in. Install onto any new or existing Echo or Echo Squared panel.

Laminate Privacy Screens

Add protection and privacy to any workstation or height adjustable desk with our laminate privacy screens. Our privacy screens offer a simple and quick installation with the ability to be incorporated into a large range of new or existing installations. Featuring pre-drilled holes for mounting brackets providing an easy and accurate installation. Both sides of the screen are laminated making it durable and easy to clean.

Frameless Glass

Our frameless glass add-ons are a modern and affordable way to add protection and increased privacy to any workstation, table or desk. Featuring both clear and frosted glass with heights ranging from 8"-18" and widths ranging from 22"-70". The simple yet effective design allows it to be incorporated into a large range of installations.

*Additional glass sizes available upon request.

Freestanding EZcube Panels

Our Freestanding EZcube Panels are an easy, cost effective way to add increased privacy and protection to any office installation. Featuring a durable and light weight design, our freestanding EZcube panels move effortlessly around the office and lock into place where you need them. Add them to the break room, waiting room, training room or anywhere else you need increased protection and separation.

Freestanding Laminate Screens

Add protection and privacy to any workstation or desk with our freestanding laminate privacy screens. Our freestanding privacy screens are a simple, quick and effective way to get the added protection your employees are looking for. Both sides of the screen are laminated combined with an aluminum frame around the outside making it both durable and easy to clean.
