

**PRIVACY
SCREEN**

Create Boundaries

Enhance privacy and add color to your open office or height adjustable desk with surface mounted privacy screens. Highly functional with its tackable surface and wide variety of fabrics and size options. Featuring an adjustable bracket, the privacy screen will accommodate a large range of privacy heights to help define boundaries while still maintaining connectivity to coworkers in open office environments.

FEATURES

- Easy installation
- Adjustable privacy height
- Tackable on user side
- Stylish beveled edge & brushed metal standoffs
- Available in all of our graded fabrics
- Available in our five standard paint colors as well as EZcube Silver
