

To: Local Business or Organization,

The CI Bluejacket Anglers are proud to be entering our 9th year as a student angler team. Open to youth ages 7–18, our program combines fishing with education, teamwork, and community service. Located in the heart of Minnesota's lakes and rivers, we provide kids hands-on fishing experience year-round while teaching boater safety, responsible fish handling, and a wide variety of fishing techniques.

Every angler, regardless of skill level, is welcome and our dedicated volunteers ensure each student gets on the water. We host weekly local tournaments throughout the summer and members also have opportunities to compete in regional and national circuits. Through these events, our anglers can earn college scholarships while building character, leadership, and sportsmanship.

Why Your Sponsorship Matters

Running an all-inclusive, high-quality program comes with increasing costs. Sponsorships from local businesses and organizations make it possible for us to keep participation affordable and accessible for families.

When you sponsor the CI Bluejacket Anglers, your support helps cover:

- Meeting spaces where anglers gather to learn and grow
- Prizes and awards that recognize effort and achievement
- Supplies to get kids on the water, like fresh line for rods
- Educational tools and equipment, such as materials for teaching knot tying and other fishing skills
- Community service projects that give back to the local area
- The end-of-season banquet celebrating our anglers and their families

Your support directly helps kids develop skills, confidence, and a lifelong love of the outdoors.

Recognition and Visibility for Your Business

Your business will be represented by 40+ student anglers and coaches who proudly wear their jerseys everywhere - tournaments, parades, volunteer activities, fundraising events, and even at school. These motivated, polite, and respectful youth who embody sportsmanship, responsibility, and a love of the outdoors, serving as true ambassadors for your brand.

In addition to the jerseys, your business will also be featured on our website, giving you year-round exposure to families, supporters, and the broader community.

You're also welcome to attend one of our meetings or events to meet the anglers and see firsthand the impact your support makes.

Thank you for considering sponsorship of the CI Bluejacket Anglers. Together, we can continue giving kids the chance to fish, learn, and grow on the waters of Minnesota.

Sincerely,

CI Bluejacket Anglers & Coaches

CI Bluejacket Anglers 2026 Sponsorship Commitment Form

Sponsor Information

Please provide your business or organization's information exactly as you would like it to appear on our promotional materials.

Business/Organization Name: _____

Contact Person: _____
