Well it looks like Golf Season is here and most courses are in excellent shape. The format for this years tour will be the same as last year with the Final Event hosting the Player of the Year Finals. Based upon the number of players last year I have reserved 6 Tee Times for 24 Players at each event. Our first event is for 2021 at Pine Hills is only 5 weeks away. I still have some Tee Times to confirm but the first 4 events are locked. The following is the Schedule for 2021 with the Tee Times noted for those events that are confirmed:

What a Great Day to finish off the 2021 Sunday Tour. It was really great to see the return of Bill Kirk to the Tour. Bill was looking good, having a great day playing for the first time this year and having a few Beers in the Clubhouse. National Golf Links was in perfect condition with soft greens and good weather which was reflected in the Field Average of 84.7. The Field average was over 5 strokes better than the season low at The Ridge. 6 Players broke 80 and another 9 broke 90.

Entering Sunday's play, Player of The Year Honors were all but locked up by Brian Hughes with a 254 point lead over second place Dick Plageman. Dick and Blaise were in a fight for 2nd with Dick coming out on Top matching everything Blaise could throw at him. Both golfers had Pin Shots with Blaise winning 13 and Dick 17. Even Blaise's round of 74 did not shake Dick who responded with a solid 78. The real race was for 4th Place, the final payout spot. Jack Berger held a slim 5.2 point lead over Keith Tobias going into Sunday's play. As the results were being tabulated, under great pressure, the Commissioner (me) announced Keith Tobias the 4th place finisher. Upon a review of the scores/results in my office at home I noticed that an error had been made calculating the Net Scores. Jack's 82 minus a handicap of 16 was not 76 as recorded but 66. This change resulted in Jack getting 145 PoY Points and Keith 150 PoY Points. Final results had Jack beating Keith by a slim .2, Berger 1318.2 to Keith's 1318. It also moved Jack into a 3rd Place finish in the B Flight knocking Brian Hughes out of the money to 4th. Looks like the Commissioner owes Jack another \$35. Sorry!!!!
