2024 Friday Nite League @ Homestead PLAYOFFS

Seeds will be determined by the YTD points each player has; ties will be determined by lowest hcp

#1 seed gets a bye in Round 1 and plays the lowest seeded player surviving to Round 2

Matches will be played based on the following point system:

Player handicaps will be used to figure out which player receives a stroke on the applicable hole based on the handicap of each hole (max 1 stroke per hole)

2 points earned for winning the hole (1 point each in case of tie)

4 points earned for lowest net score for the match (2 points each in case of tie)

Total points for a match is 22 points

Ties for the match will be settled based on individual net scores for lowest handicap hole, second lowest, etc.

For Round 2: Re-align brackets so the #1 seed plays the lowest seed that survives

and the remaining teams re-align so second highest seed plays second lowest seed and so forth

2024 Friday Nite League @ Homestead PLAYOFFS

Seeds will be determined by the YTD points each player has; ties will be determined by lowest hcp

#1 seed gets a bye in Round 1 and plays the lowest seeded player surviving to Round 2

Matches will be played based on the following point system:

Player handicaps will be used to figure out which player receives a stroke on the applicable hole based on the handicap of each hole (max 1 stroke per hole)

2 points earned for winning the hole (1 point each in case of tie)

4 points earned for lowest net score for the match (2 points each in case of tie)

Total points for a match is 22 points

Ties for the match will be settled based on individual net scores for lowest handicap hole, second lowest, etc.

For Round 2: Re-align brackets so the #1 seed plays the lowest seed that survives

and the remaining teams re-align so second highest seed plays second lowest seed and so forth
