

## 5-day Bible devotional guide -Bless This Home-Purity

### Day 1: The Christ-Centered Home

Reading: Galatians 2:20

Devotional: Today, we reflect on what it means to have a Christ-centered home. It's more than just claiming to be Christian; it's about living out our faith in every aspect of our family life. As we read Galatians 2:20, let's consider how we can surrender our family life completely to Christ. How can we create an environment where Christ's joy is expressed through each family member? Take time to discuss with your family how you can support each other in living out your divine purposes. Pray for God's guidance in making your home truly Christ-centered.

### Day 2: Purity and Power in the Home

Reading: Ephesians 6:10-12

Devotional: Today's reading reminds us that we're in a spiritual battle, especially within our homes. Reflect on the areas where you might have allowed impurity to creep into your family life. This could be through media, conversations, or habits. How can you actively work to purify your home environment? Remember, purity in the home leads to spiritual power for the family. Pray for discernment and strength to recognize and resist the enemy's schemes, creating a home that's a stronghold of God's presence and power.

### Day 3: Living by God's Standards

Reading: 1 Peter 1:14-16

Devotional: God calls us to a standard of holiness that sets us apart from the world. Today, examine your family's lifestyle choices. Are there areas where you've compromised God's standards for the sake of fitting in or convenience? Discuss with your family the importance of aligning your choices with God's Word. How can you encourage each other to live distinctively as God's people? Pray for the courage to stand firm in holiness, even when it means being different from the world around you.

### Day 4: Guarding Your Heart and Mind

Reading: Philippians 4:8-9

Devotional: What we allow into our minds and hearts profoundly affects our spiritual health and that of our families. Today's passage gives us a filter for what we should focus on. Evaluate the media, conversations, and activities that fill your home. Do they align with what is true, noble, right, pure, lovely, and admirable? Challenge your family to be intentional about filling your home with things that honor God. Pray for wisdom in making choices that will build up your family's faith and character.

## Day 5: Building a Home of Faith

Reading: Joshua 24:15

Devotional: Joshua's declaration, "As for me and my household, we will serve the Lord," is a powerful commitment to making faith central in the home. Reflect on how you can make this your family's declaration. Discuss practical ways to put God at the center of your daily life, such as regular family devotions, praying together, or serving others as a family. Consider creating a family mission statement that reflects your commitment to serving God. Pray for God's guidance in leading your family in faith and for the strength to stand firm in this commitment.
