ABOUT ME

Avid gardener, small acreage farmer and native plant nursery owner and grower at **Bas Rouge Farm & Forge in Orono, Maine.**

Over 25 years of gardening, outdoor teaching & learning experience; skills cultivated, knowledge grown as a former Master Gardener Volunteer and current Licensed Registered Maine Guide/ Recreation. All of which I enjoy sowing within my community, by way of classes, workshops, public presentations, articles and podcasts.

Sustainable Landscape & Garden Management, Permaculture Consultations and Certified Green Infrastructure Practitioner. Recipient of 2022 North American Pollinator Protection Campaign Farmer-Rancher Award USA (pollinator.org). Board Member of Maine Organic Farmers and Gardeners Association or MOFGA. Services and presentations offered in English & Spanish.
