Rev. Al. Sharpton

FOR IMMEDIATE RELEASE

"Let's pray for the family of the deceased and the wounded including former President Donald Trump and their families. We should pray for our nation at this moment and the days ahead. We should not tolerate political violence or celebrate any harm to ANYONE despite our political differences. Our differences should be solved by ballots not bullets. Let's not give into any wild conspiracy theories or speculation. Let's urge a thorough investigation. This is a sad day in this nation. We should unite in condemning any violence no matter our political leanings"
