Community Support Program

This therapeutic support program provides trained staff members to work individually with child and adolescent consumers on skill development out in the community according to the consumer's treatment needs. According to age and development, activities are designed to give consumers a mentor to develop needed social and coping skills to be successful, while having fun along the way.

Counties served:

- Mason
- Fleming
- Lewis
- Bracken
- Robertson

Age requirements:

For all ages

Activities may include:

- Pottery classes
- Painting classes
- Volunteering at the local animal shelter
- Quilting classes
- Building a resume/Applying to college/
Filling out job applications
- Gardening
- Reading to children
- Volunteering at a local church
- YMCA & Library Activities
- Gymnastics
