

St. Alphonsus Confirmation | Session Make-Up Instructions

Candidates are required to make-up all sessions that they miss by completing the following steps:

1. Login into the online portal for *Chosen* at https://ascensionpress.thinkific.com/users/sign_in.
 - If you have not previously accessed the portal, click [here](#). You will be prompted to create an account or sign-in to your existing account.
2. Once you've accessed the portal, find the lesson that was missed.
 - September 10 - Lesson 1
 - October 15 - Lesson 8
 - November 19 - Lesson 9
 - December 17 - Lesson 12
 - January 21 - Lesson 13
 - February 11 - Lesson 14
 - April 15 - Lesson 15
3. Read through the student workbook for the lesson and watch the videos.
4. Answer the lesson reflection questions and complete the lesson assessment (with the exception of Lesson 1, which only has reflection questions).
 - Lesson reflection questions are available on the portal. Write or type your answers separately (it cannot be done through the portal itself).

- Lesson assessments can be found [here](#). The easiest way to complete the assessment is to print it and handwrite your answers.
5. Once complete, email the completed work to Clare Kinsey at clare@stalchurch.org or bring it to our next session.
