LordsReallyBigIdea.Org

ON-GROUND and IN-AIR MINISTRY PROGRAMS – Ongoing on-ground and in-air ministry programs: (1) airship flies one-year tour, (2) airship's video screen (TV Network) broadcasts in-air ministry messages, and (3) video invitations to attend LordsReallyBigIdea.Org on-ground ministry programs featuring music, videos, teaching, preaching.

Special ministry teams comprised of public relations, musicians, video and audio production and support personnel as determined by will travel in advance to each tour stop to prepare for the special on-ground ministry program.

Stopover locations may add to the special ministry team's program with local ministry and worship team's programs.

A special transport vehicle, either cargo plane or tractor-trailer will deliver staging, video and sound equipment, set up and prepare the airship's landing site for special on-ground outdoor ministry programs.

STAGE BACKDROP The Airship will serve as ministry stage backdrop, it's video screen capable of being seen by tens of thousands at one time on it's Tour layovers.

Example: Pictured is Airlander 10's Airship. Planned video screen will broadcast everything from motion pictures to streaming video to streaming graphics.
