

September 2026

Dear Parents and Guardians of our 2027 Graduating Class,

The Setauket Elementary 5th grade yearbook committee needs your help to ensure that every student is represented in our yearbook.

We are collecting photos from school events such as field trips, classroom parties, field day, PTA events, and dances. These photos will help us capture the full range of our students' experiences throughout their time in school. Additionally, we're collecting one baby photo from each graduating student to highlight their growth and journey over the years.

Please get your photos ready and submit through the links found on the Setauket PTA website under Graduating Class or using the link below.

Photo Submission Guidelines:

- The photo should show the student in appropriate clothing (no offensive or inappropriate attire) and should depict appropriate facial expressions or gestures.
- The photo should reflect a school-related event, such as field trips, classroom parties, field day, PTA events, or dances. (Non-school events will not be included.)
- The photo should be labeled with the student's first and last name.

Important Note: Submitting a photo does not guarantee its inclusion in the yearbook. We will carefully review all submissions and select the best photos to ensure every student is represented.

Since parents and cell phones are not permitted at the Monster Bash, Spring Formal, and the picnic, we have created a Google Drive where all photos from these special 5th-grade events will be uploaded.

You will need to request access initially, but this drive will be available for access throughout the year, ensuring you don't miss a moment!

We appreciate your cooperation and support in creating a memorable yearbook for our students. If you have any questions, feel free to contact us at Yearbook@setauketpta.com.

With sincere gratitude,
26/27 Yearbook Committee
