Employment Opportunity

Position Title: BC Land Surveyor
Position Status: Full-time, Permanent
Location: Chilliwack, BC
Salary: \$100 -\$110K (Plus profit sharing)

Objective:

INITIAL. Geomatics & Land Surveys invites entrepreneurial minded BC Land Surveyors to join this startup geomatics and land surveying company. Discussion may include partnership and profit sharing opportunities, relocation to and subsidized housing in Chilliwack, BC and company vehicles.

INITIAL. Geomatics & Land Surveys:

INITIAL. Geomatics & Land Surveys is a division of Initial Exploration Services Inc., which has been serving the mining and petroleum industry nationally and internationally since 1991. We are fully equipped with the latest Trimble technology (R10s and S7s), have a solid company infrastructure and a growing list of Clients. We are seeking a BC Land Surveyor to help take this startup to a competitive and profitable geomatics company.

Job Requirements:

- BC Land Surveyor Commission.
- Minimum of 5 years' experience.
- Managing various legal survey and construction projects.
- Supervising staff (field and office) and assist in staff training.
- Contributing to the continued growth and support of the company.
- Communicating with clients and providing professional guidance and advice.
- Participating in business expansion and training.

Employees and Partners of INITIAL. Geomatics & Land Surveys are required to have a valid BC driver's license; a driver's abstract and criminal record check will be required for candidates interviewing for this position. We have a ZERO TOLERANCE POLICY for drug and alcohol abuse.
