

CLASS ACTION – DELIVERY FEES AND PRICE DISPLAY – PIZZA SALVATORÉ

NOTICE OF AUTHORIZATION AND SETTLEMENT

**Notice of authorization of a class action for settlement purposes only and Notice
regarding the approval of a settlement**

(*Manguian v. Les Franchises Salvatoré G.A. inc.*, 500-06-001340-245)

**Detailed information and additional information about the class action and the
settlement are available here <https://cabinetsp.ca/salvatoré>**

If you are a resident of Canada and placed an order for a delivered meal or a medium-sized delivered pizza via the Pizza Salvatoré mobile apps or the website at www.salvatore.com between November 8, 2021, and June 17, 2025, your rights may be affected by an authorized class action and proposed settlement.

You do not have to do anything or pay anything to participate in the class action and its settlement.

Plaintiff Paul Manguian has filed a Motion for Leave to Authorize a Class Action and to be Appointed Representative against Les Franchises Salvatoré G.A. Inc. ("**Franchises Salvatoré**") regarding the disclosure and display of additional delivery charges billed when placing an order for delivered meals through the Pizza Salvatoré mobile applications or the website www.salvatore.com, as well as the promotional pricing of certain pizzas (the "**Action**").

Although Franchises Salvatoré denies any fault or liability, a transaction has been entered into with the Plaintiff to the benefit of all Settlement Class Members for the settlement of all claims relating to the Action (the "**Transaction**"), subject to the approval of the Superior Court of Quebec (the "**Court**").

In order to implement the Settlement, the Court authorized the Action and granted the Plaintiff representative status for settlement purposes only in a judgment rendered on December 9, 2025. If applicable, the Court's refusal to approve the Settlement will result in its termination and the termination of all benefits to Settlement Class Members, and the resumption of litigation between the parties.

Who is affected?

You are included in the Action and covered by the Settlement if you are a person in Canada who, between November 8, 2021, and June 17, 2025, placed an order for a meal delivered via the Pizza Salvatoré mobile applications or the website www.salvatore.com and paid a price that is higher (due to mandatory added fees) than the price initially advertised or indicated in order to complete their order, or placed an order for at least one medium-sized delivered pizza via the Pizza Salvatoré mobile applications or the website www.salvatore.com.

The Transaction

In order to conclude the Transaction, Franchises Salvatoré modified the Pizza Salvatoré mobile applications and the website www.salvatore.com to disclose the existence of additional delivery charges and indicate their amount at the beginning of the ordering process, and agreed to pay a total amount of \$1,729,950, which consists of the following:

- a. The amount of \$1,500,000 will be distributed individually through the granting of a credit worth \$2.30 per person, valid for a period of 24 months, which will be automatically applied to the Settlement Class Members' accounts without them having to claim it or provide any information to benefit from it, and will be allocated in full to the payment of the first transaction made by a Class Member through a Pizza Salvatore mobile application or the website www.salvatore.com after it has been credited to the group members' account.
- b. Franchises Salvatoré will also pay Class Counsel's fees, including disbursements, in the amount of \$200,000 plus applicable taxes. Class Members will not be required to pay anything in this regard.

Franchises Salvatoré's records indicate that you are covered by the Action and the Settlement.

A hearing on the approval of the Settlement, the benefits to the Settlement Class Members, and the approval of Class Counsel's fees will be held on April 24, 2026, before the Court, either in person in Courtroom 15.02 at 9:30 a.m. or by videoconference at the following coordinates:

What to do to participate in or opt out of the Action and the Settlement?

If you do nothing, you will be bound by the Action and the Settlement if it is approved by the Court.

You can opt out of the Action (and therefore from the Settlement) by **February 5, 2026**, by following the steps outlined here [Notice to Members – Long Version](#). This is the only opportunity for Class Members to opt out of the Action and the Settlement.

What happens next?

If the Transaction is approved by the Court, the Credit to which you are entitled will be automatically applied to the Settlement Class Members' Accounts without them having to claim it or provide any information to benefit from it, and will be allocated in full to the payment of the first transaction made by a Class Member through a Pizza Salvatoré mobile application or the website www.salvatore.com.

You will receive notification of the availability of the Credit, but no other notice will be sent to Class Members unless the Court refuses to approve the Settlement.
