The Field of Dreams Academy is pleased to announce our 2025 Wide World of Sports Clinic.

It is a celebration of STEM in sports!

We have partnered with several organizations who will teach the fundamentals of the game and enhance every young athlete's skill development.

Our clinic will be led by former and current professional and collegiate athletes.

Our clinic will focus on Three sports programs: Baseball, Lacrosse, and Soccer.

Each sports discipline will emphasize proper training in speed & agility, skill development, and game competition.

Our strategic partnerships are with the Art of Soccer Academy, Nike, STEM Sports, US Lacrosse Foundation, and USA Soccer Foundation.

The Wide World of Sports clinic will offer every young athlete a unique experience to take his/her skills to the next level!
