OUR MISSION

The Field of Dreams Academy is a 501c3 sports-based youth development, non-profit organization whose primary mission is to EDUCATE, EXPOSE and ENDOW opportunities to youth from underrepresented and underserved communities who have the talent, passion, and skill to excel in academics, athletics, and character leadership development! Our core sports are auto racing, baseball, hockey, lacrosse, soccer, and volleyball.

Our focus is to EXPAND their knowledge based using the field of science, technology, engineering, arts, and mathematics (STEAM), as our framework.

Our objective is to provide and foster a learning environment where social-emotional learning (SEL) is encouraged so that our youth can sense and understand his or her purpose and self-confidence in the classroom, home and among their peers. Our goal is for every youth who participates in the Field of Dreams Academy to have a positive impact on his or her community by becoming transformative leaders!

FROM *THE* EXECUTIVE DIRECTOR

It feels like just yesterday we envisioned the Field of Dreams Academy, a vision that transcended sports. Our mission was to make a profound impact on our community. Now, two decades later, we proudly reflect on the thousands of youths whose lives have been uplifted through the power of sport!

CELEBRATING 20 YEARS OF IMPACT

The Field of Dreams Academy has been dedicated to creating an environment where youth can exercise their voices and be inspired to lead. Our academic and athletic enrichment programs foster a learning atmosphere that encourages social-emotional learning (SEL).

This empowers our youth to understand their purpose and build self-confidence, both on the playing field and in the classroom.

CELEBRATING 20 YEARS OF IMPACT

The Field of Dreams Academy emerged from our coaching experiences at various organizations, including Romar Academy, Sandtown Youth Sports Association (Sandtown Park), Drew Charter School, and the YMCA at the Village of Carver Homes. These institutions helped us recognize the honor and privilege of positively impacting our youth and their families. Our mission extended beyond merely teaching the fundamentals of the game; every interaction and experience shaped our purpose to be a true game-changer!
