STANDARD FEATURES

Water Features

Pillowfall - Let the warm water flow over your neck and shoulders for ultimate relaxation.

Shoulder, Back & Calf Jets - Treat yourself to a wonderful massage in the places you need it most with these revolutionary jets. This innovative design features powerful jets that relieve tightness and relax muscles, quickly melting away tension and pain.

Powerful 2 Pump Massage - Delivering intense hydrotherapy through 35 high flow jets.

Aesthetics

LED Multicolour Lighting - Saturate your spa with your favourite colour or slowly fade from colour to colour for a spectacular light show above and below the water.

Premium Stainless Steel Jets - Luxury accents and corrosion resistant.

Green Technology

Ozone - The ozone water treatment provides crystal clear spa water by killing bacteria with fewer harsh chemicals.

Full Foam Insulation - Our full foam insulation, using Icynene foam, provides the best heat retention available, keeping your spa energy efficient whilst also increasing the lifespan of the plumbing by virtually eliminating movement and vibration.

Maintenance-Free Cabinet - Synthetic cabinets that are extremely resilient and durable.

Protecting Your Spa

ABS Base - Sealing the bottom of your spa and protecting it from the elements.

Spa Cover - Deluxe safety cover providing industry leading insulation and protection.
