# WELCOME

to the **AUGUST 2019**

**FURNITURE  
MARKET**

We are still the **UPHOLSTERY**

**CAPITAL OF THE WORLD.** Within a 60 mile radius of Tupelo, we make more upholstery furniture than anywhere in the country. It's still growing and the big are getting bigger and the smaller guys are growing too. With the tariffs, wages and freight going up from overseas the industry is growing here, and we expect more in the future. Thank you for shopping the Tupelo Furniture Market.

While you're here shopping, don't forget to check out "T.O.S." Tupelo Only Specials, that most exhibitors have and only offer at Tupelo Market. Also, shop the companies that are new to Tupelo Market. New resources are always good for your store.

We have breakfast every morning in Building V, that's free to all attendees, this gets you off to a great start. We also have a full-blown dinner with free drinks and live music to shut your day down each night in Building VI. Don't miss the National Buyer Appreciation Award on Thursday at 6:00 P.M., and the Rep Award on Friday at 6:00 P.M. in Building VI.

Take advantage of our free shuttle service! We run constantly from hotels to market to restaurants in town for your convenience. We run passenger vans so you don't have to wait for thirty people to show up and make five stops before yours. Call the shuttle number, 662-841-1063, and they will come to you.

Hope you have a productive market. Thank you to our sponsors! Thank you for being here and have a safe trip home! I look forward to seeing you January 9-12th, 2020!

*V. M. Cleveland*

HOMEROOTS

# Please join us Booth 6237B in Building 6 for our iPad GIVEAWAY

HomeRoots is here to make the wholesale B2B online shopping experience as easy as the B2C online shopping experience. HomeRoots seeks to bridge the gap and mend the fractures, making it easier for buyers to conduct business without having to worry about things such as availability, excessively long delivery times, and overall logistics. Our technical leadership experience and the love of furniture led to the creation of HomeRoots.

We would like to say ***Thank You*** for helping keep the

vision that was started 33 years ago alive, as well as

***Thank You*** to all the other exhibitors even if this is your first market with us.

Our passion and purpose continue to be the bridge between buyers and exhibitors whether old or new, big or small.

Although the industry has evolved over the years our mission stays the same, to create a market that buyers and sellers are choosing to do business with.

The next chapter will include steady growth and endless opportunities while connecting buyers with top brands as well as with the industry trendsetting designs.

We strive to be a superior market experience for all who attend.

Individually, we all know where we started and where we've been, help take us where we want and need to be.

Be a part of the next chapter.....

**The Secret of change is to focus all your energy,  
not on fighting the old, but on building the new. - Socrates**

# MARK YOUR CALENDARS

NEXT MARKET **JANUARY 9-12, 2020**

## TUPELO FURNITURE MARKET ASSOCIATION

The Tupelo Furniture Marketing (TFM) Association was founded in 1988 to better convey the buyer opportunities available through North Mississippi's furniture manufacturers and the bi-annual Tupelo Furniture Market.

The Market is operated under the auspices of the Association which is a non-profit corporation governed by a 26-member Board. Marketing efforts are greatly enhanced through the cooperation and financial support of the Mississippi Department of Economic and Community Development.

The Association is headquartered at the Community Development Foundation (CDF) in downtown Tupelo, Mississippi, where activities are coordinated and staff members provide operational, logistical and professional support to the many projects undertaken by the Association.

Founded in 1948, the CDF is a nonprofit membership organization composed of civic, business, and professional leaders representing the Tupelo-Lee County Region, whose basic objective is to strengthen the region through economic and community development projects with emphasis on creating new jobs. CDF has been selected numerous times as one of the top ten industrial development agencies in the nation by Site Selection magazine. CDF's job recruitment endeavors have resulted in Lee County becoming a manufacturing center for the State of Mississippi.
