A photograph of a well-decorated outdoor patio. In the center, a wooden coffee table holds a tray with watermelon, fruit, and drinks. Two L-shaped wooden sofas with blue cushions and colorful pillows surround the table. The patio is enclosed by a wooden railing and decorated with several large potted plants, including one with bright red flowers. A lantern sits on the wooden deck in the foreground.

MARKET

WELCOME TO SUMMER 2020 MARKET

Thank you for being with us. This year has been such an unexpected roller coaster and we hope that all of you, your families and business associates have remained safe and healthy during this unforeseen pandemic.

TFM wants to make your buying and exhibiting experience safe and easy. The Tupelo Complex provides all the elements to achieve successful social distancing. All show spaces are on one level (no Elevators or Escalators), there are multiple Entrances and Exits (9 total) with multiple registrations and wide hallways.

Geographically, we are the most accessible market from all directions. You can drive into Tupelo in a little over 10 hours from as far North as Chicago, IL, as far South as Orlando, FL, as far East as High Point, NC and as far West as Oklahoma City, OK or Houston, TX.

Remember to check out our exhibitors participating in the T.O.S. "Tupelo Only Specials" offered only at the Tupelo Market and don't forget to check out the new companies exhibiting with us this market.

Take advantage of our free shuttle service (662)841-1063 while at market! We are happy to shuttle you from airport to hotels to market to restaurants for your convenience.

We appreciate your long-standing support of the Tupelo Furniture Market and hope you have a productive market.

Thanks again for being here and have a safe trip home! Look forward to seeing you next market.

TUPELO FURNITURE MARKET ASSOCIATION

The Tupelo Furniture Marketing (TFM) Association was founded in 1988 to better convey the buyer opportunities available through North Mississippi's furniture manufacturers and the bi-annual Tupelo Furniture Market.

The Market is operated under the auspices of the Association which is a non-profit corporation governed by a 26-member Board. Marketing efforts are greatly enhanced through the cooperation and financial support of the Mississippi Department of Economic and Community Development.

The Association is headquartered at the Community Development Foundation (CDF) in downtown Tupelo, Mississippi, where activities are coordinated and staff members provide operational, logistical and professional support to the many projects undertaken by the Association.

Founded in 1948, the CDF is a nonprofit membership organization composed of civic, business, and professional leaders representing the Tupelo-Lee County Region, whose basic objective is to strengthen the region through economic and community development projects with emphasis on creating new jobs. CDF has been selected numerous times as one of the top ten industrial development agencies in the nation by Site Selection magazine. CDF's job recruitment endeavors have resulted in Lee County becoming a manufacturing center for the State of Mississippi.
