WELCOME to
WINTER 2020 MARKET
Tupelo FURNITURE
MARKET

Thank you for being with us. The Tupelo Furniture Market is not just two weeks of the year. We have buyers and exhibitors meeting here at the Tupelo Market twelve months of the year. Our showrooms are active most weeks. We are the upholstery capital of the world and still growing.

While you're here shopping, don't forget to check out our exhibitors participating in "T.O.S." Tupelo Only Specials only offered at Tupelo Market. Also, shop the companies that are new to Tupelo Market. New resources are always good for your store.

We have breakfast every morning in Building V that's free to all attendees. This gets your day off to a great start. We also have a full-blown dinner with free drinks and live music to shut your day down each night in Building VI. Don't miss the National Buyer Appreciation Award on Thursday at 6:00 P.M. and the Rep Award on Friday at 6:00 P.M. in Building VI.

Take advantage of our free shuttle service! We run constantly from hotels to market to restaurants in town for your convenience. We run passenger vans so you don't have to wait for thirty people to show up and make five stops before yours. Call the shuttle number, 662-841-1063, and they will come to you.

Hope you have a productive market. Thank you to our sponsors! Thank you for being here and have a safe trip home!

I look forward to seeing you at the Summer Market, August 13-16th, 2020!

TB 5 Space 5273

Gazebos • Chairs • Swings • Daybeds • Tables • Rockers & More

A photograph of an outdoor seating area at night. A wooden pergola structure is illuminated with warm white string lights. Underneath, there are four wooden Adirondack chairs arranged around a low wooden coffee table. The chairs have white cushions, and the table has a white cloth and a mug on it. The background is dark, suggesting a night setting.

TUPELO FURNITURE MARKET ASSOCIATION

The Tupelo Furniture Marketing (TFM) Association was founded in 1988 to better convey the buyer opportunities available through North Mississippi's furniture manufacturers and the bi-annual Tupelo Furniture Market.

The Market is operated under the auspices of the Association which is a non-profit corporation governed by a 26-member Board. Marketing efforts are greatly enhanced through the cooperation and financial support of the Mississippi Department of Economic and Community Development.

The Association is headquartered at the Community Development Foundation (CDF) in downtown Tupelo, Mississippi, where activities are coordinated and staff members provide operational, logistical and professional support to the many projects undertaken by the Association.

Founded in 1948, the CDF is a nonprofit membership organization composed of civic, business, and professional leaders representing the Tupelo-Lee County Region, whose basic objective is to strengthen the region through economic and community development projects with emphasis on creating new jobs. CDF has been selected numerous times as one of the top ten industrial development agencies in the nation by Site Selection magazine. CDF's job recruitment endeavors have resulted in Lee County becoming a manufacturing center for the State of Mississippi.
