Mission Statement

“Creating opportunities to grow partnerships, and friendships through communication & fellowship between local manufacturing representatives and businesses and to promote charitable awareness in throughout the community”

P.O. Box 241 • Charleston, WV 25321

Who We Are

CHAMR is a non-profit group made up of local manufacturers and wholesalers that have been around for many years. Over the years we have changed and evolved to keep up with the changing economic climate but our core values have remained the same. We are a strong group made up of a diverse group of members who through different events scheduled throughout the year ***“create opportunities to grow partnerships and friendships through communication and fellowship and to promote charitable awareness throughout the community”***. Over the years at these events we have had many great influential guest speakers ranging from key political people to head coaches from both of our state universities. The atmosphere is always friendly, fun, and informative and allows all of our members and guest to get together in an informal gathering for a couple of hours. It is through these events that we are able to give back to the community in which we are so proud to be part of through our charitable contributions. Many thousands of dollars have been donated over the years to local groups such as: *Charleston Mountain Mission, Union Mission, Manna Meals, Children’s Home Society of West Virginia, Aldersgate Food Bank, Huntington Food Bank, Charleston Newspapers Neediest Case Fund* and many more.

We appreciate all of our membership’s contributions and participation in the events we schedule and invite anyone who is not part of this outstanding group to come and join us!

Thank-you,

CHAMR Officers and Board of Directors
