

Morris Estate

2005 Southside: Viewed from the road

This house was where Levi & Daisy Morris of Folsom, Louisiana raised their 15 children. Both Levi & Daisy were deceased by May 1990. The house was abandoned from 1990 – 2005. The **Next 8 photos compares the Morris Property Then & Now (2005 vs 2021).**

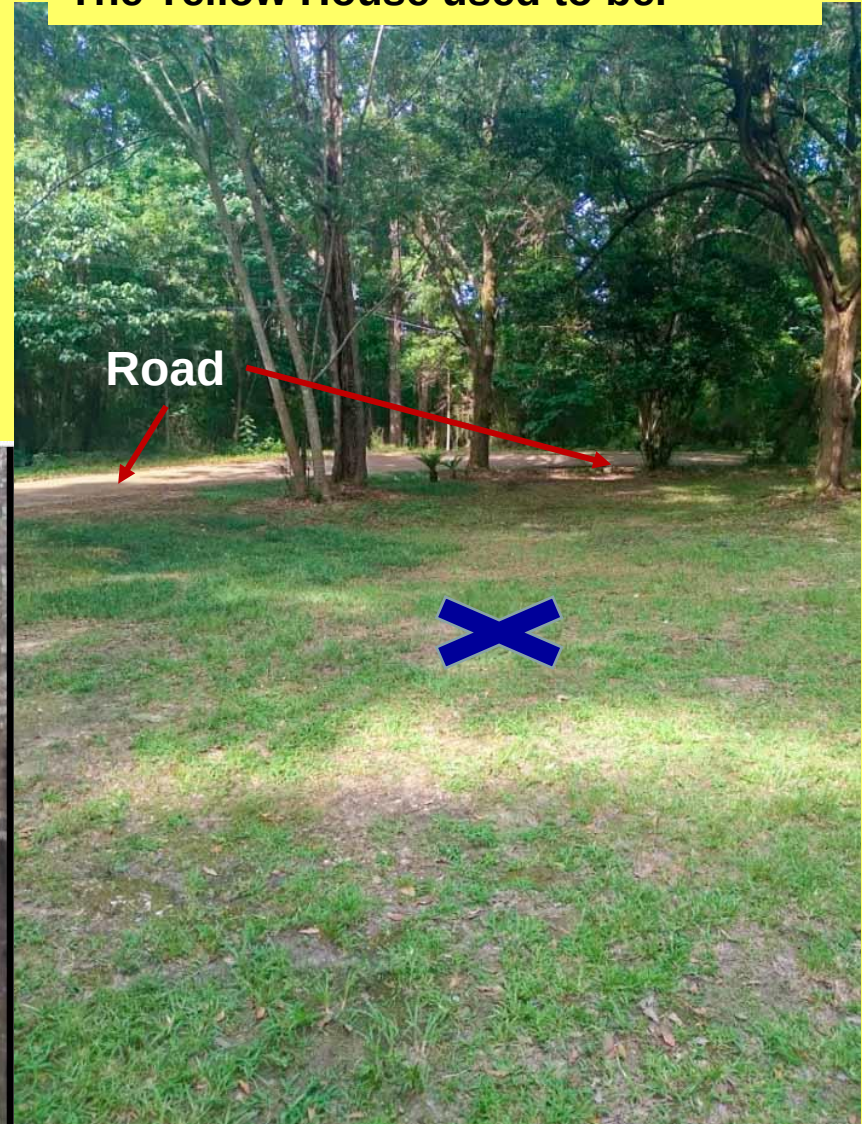

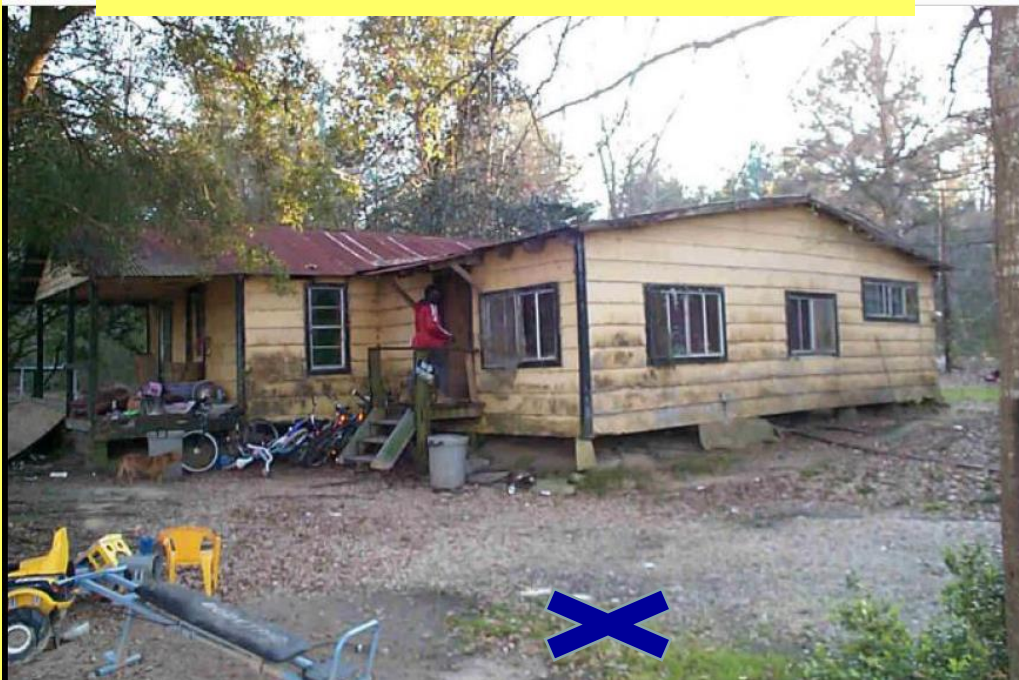

Morris Estate

Big Improvement under Vann's Administration.

The Blue "X" marks the same geographical spot on the Morris Estate. The dilapidated Yellow House was rundown between 1990 – 2005 (as shown). This house was Appraised in 2005 as -\$2,000... which was a degradation to the Morris Estate. Shortly thereafter, the house was half burned down. Debris was Bulldozed and cleared by Leon Morris at NO cost to his fellow siblings.

2021 Southside: Viewed from where The Yellow House used to be.

2005 Southside: Viewed from the road

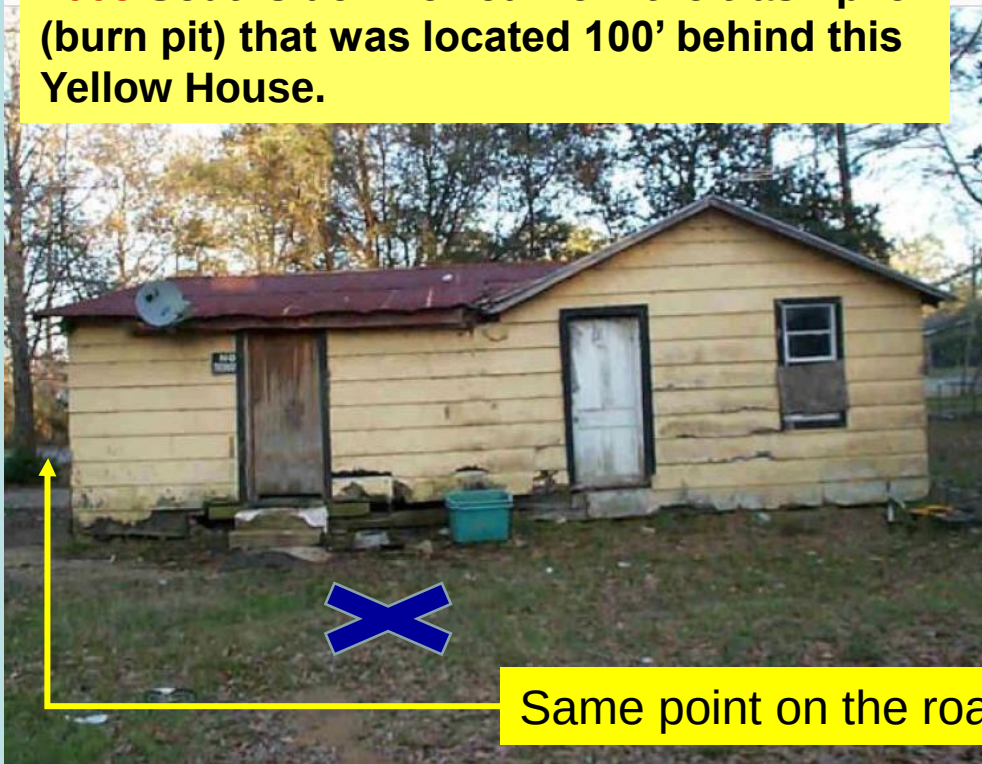

Big Improvement under Vann's Administration.

Debris was Bulldozered and cleared by Leon Morris at NO cost to his fellow siblings.

2021 Southside: Viewed from the trash pile (burn pit) that was located 100' behind the Yellow House (that is no longer here.)

2005 Southside: Viewed from the trash pile (burn pit) that was located 100' behind this Yellow House.

Same point on the road

Morris Estate

Big Improvement under Vann's Administration.

North side of Sarah's home:

2021

VS

2005

This is a BIG improvement. Sarah made great strides To improve the home that God provided her on the Holy Hill of Morris Land.

Grass and trees are healthier. Property has improved during Evangelo's Administration.

Morris Estate

Big Improvement under Vann's Administration.

East side of Sarah's home:
2021

West face of Sarah's home
2005

Sarah made great strides
To improve the home that
God provided her on the
Holy Hill of Morris Land.

Grass and trees are healthier.
Property has improved during
Evangelo's Administration
Thanks to Sarah & Leon.
