TUSKEGEE

Historical Sites

Legacy Museum

The Legacy Museum is part of a consortium of museums at Tuskegee University that includes the Dr. George Washington Carver Museum, The Booker T. Washington Home-The Oaks, and the Tuskegee Airmen Museum. The Legacy Museum exhibits works from its art collection and interprets, additionally, public health, science, and medicine. The Museum's exhibitions and programs reach international audiences and history buffs and art enthusiasts of all ages.

Included in the collections are African, African American, American, European, and Oceanic art amassed over 130 years.

Tuskegee Airmen National Historic Site

The training ground for the legendary Tuskegee Airmen, this national historic site is responsible for producing the first Black military pilots in U.S. history.
