About Us:

Tyger River Fire Department is a mostly career department supplemented by volunteers and automatic aid agreements. We operate 2 staffed Engine Companies and 1 staffed Ladder Company, responding to approximately 2,000 calls per year. We serve around 28,000 residents and 350 businesses within a 19.5 square mile service area, providing fire and rescue services with pride and professionalism.

Why Join Us?

- Be part of a progressive and growing department
- Serve a diverse and vibrant community
- Opportunities for career advancement and training
- **Three apparatus are on order** — 1 ladder and 2 engines — with expected delivery over the next 18 months
