

In-Production Photo Report for Tyger River Fire Department, SC Job# 39373

Status as of June 27, 2025

In this report the pump house and pedestal were merged with the chassis followed by body installation at the start of initial apparatus assembly. In the next report your apparatus should complete initial assembly and begin final assembly.

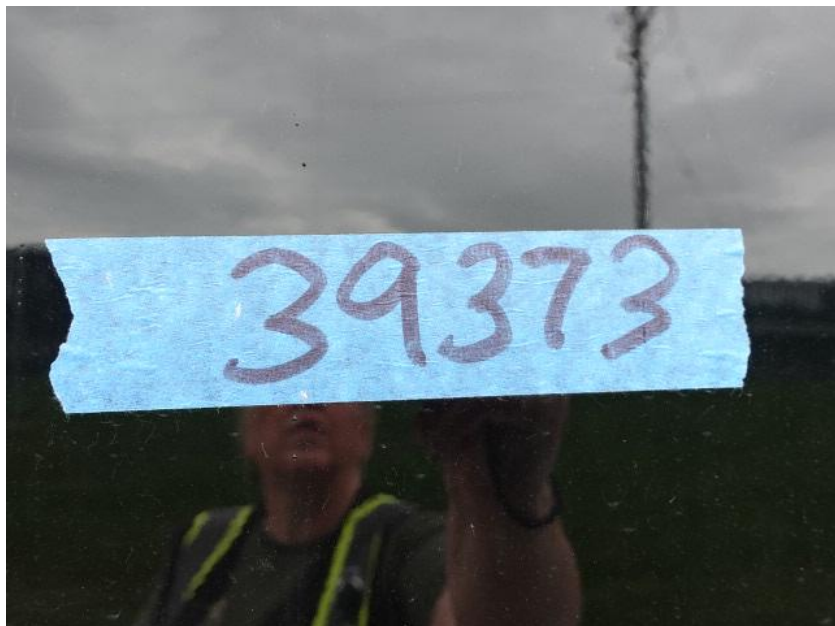

Due to the annual Pierce facility 4th of July shut down, your next scheduled report will be week ending July 12th, 2025.

Thank you. Have a very safe & happy Independence Day week!
