# **Black Aeroplane (Two Stories about Flying)**

---

## **Summary of the Chapter**

The story revolves around the mystery, 'who was another pilot?'

The story teller was on his flight go to England hoping to have a good English breakfast with his family. But during flight he saw great storm clouds ahead of him and clouds are looks like mountains. He risked entering in the clouds and everything turned black.

He saw another aeroplane without lights on its wings. The pilot waved his hand to the story teller and asked him to follow him. The story teller followed that another pilot as his compass, radio went dead. Even there was not enough fuel in his tank. With the help of another pilot, he landed safely and when he went to receptionist to thank the pilot he was informed by the lady that there was no any other plane flying in the sky that night.
