

Crew Guidelines

The Crew is a loose collection of volunteers offering some time and effort to further our cause. Here are the guidelines.

1. Get on the Crew by doing something, anything that helps the club, just offer or ask
2. Leave the Crew anytime without hassle or guilt, you can rejoin
3. Join the Crew WhatsApp group, that's how we communicate
4. Don't post 'memes' (images, videos, GIFs, and various other viral sensations) to the WhatsApp group
5. When a request for help is made don't tell us you can't make it, that scrolls the request up the page out of view
6. When at a meet or event keep an eye on the Crew WhatsApp Group for timely information and help requests from other Crew members
7. If you use kit, for example a high vis vest, two way radio, sign etc remember to return it when your session ends
8. Keep an eye on other Crew in case they need a coffee, butty, break or help
9. Remember when Crewing you are representing all of us so best foot forward #obvious
10. Have fun, that's what volunteering is about.
