

## Hellfire MVC WhatsApp Groups

### **HMVC**

Chat, memes etc, you can hold conversations of sorts if you are quick! This is a membership wide group of some 300 people. If you have a lot to say the Facebook Group is probably better to avoid flooding members phones. Admins can approve join requests.

<https://chat.whatsapp.com/IR66E56Gnsx10QTdupnSvK>

### **HMVC Admin Account**

For event, show and meeting notifications, outbound only. This is also a membership wide group. This is a better option if you just want to know what's happening and when as there is no 'chat'. Admins can approve join requests.

### **HMVC Crew**

By invite for the clubs volunteers to organise and manage events, meets and shows. Crew members on this one discuss upcoming activities and is used as an 'on the day' support channel at meets. For example, "I need a break from gate duty!"

### **Hellfire MVC Drive Host HQ**

The Distinguished Gentleman's Drive information and management group for members and non members participating in and organising the 2023 Drive. This is for management notices only to Drivers prior to the event and two way driver to driver or driver to organiser comms on the day. Use the HMVC Crew group for discussions not to go to the Drivers.

### **Men with Machines Admin Group**

Directors and invited members on a project basis as and when needed. An example maybe tackling a sensitive issue or something that shouldn't be in a wider group until it has been properly considered.
