

# The beginning

*Our journey begins with understanding where we are and where we want to be...*

*Where are you in your journey?*

*How have you gotten to this place?*

*How will things be different?*

My goal(s) for healing is(are)...

---

---

---

---

---

This is what has worked for me in the past...

---

---

---

---

---

These are the areas I will move beyond...

---

---

---
