

# Large Animal Emergency Rescue Training

March 21, 2026

9am -12pm or 1pm – 4 pm

To be held at the fairgrounds

Fair Hill NRMA, 4640 Telegraph Road, Elkton, MD 21921

A three-hour clinic is being offered to educate first responders, horse owners or anyone interested in learning basic large animal rescue techniques instructed by Fair Hill Emergency Response Team. Please bring your own drinks.

Do you know what to do in a large animal emergency? Are you prepared with equipment, know who to call, what to do? Whether you are a public safety official, a first responder, a veterinary professional, or an equestrian, this course is essential to prepare you for an emergency. You will learn how to move large animals safely and quickly in cases of disaster or injury, while preventing potential injuries to the humans involved. The course offers instruction and hands-on scenarios using specialized equipment and equipment that may be readily available to first responder departments.

Registration is limited to 24 participants per session so please register early. The cost is \$50 per person, First Responders are discounted to \$25 per person. Dress appropriately for the weather as you will be outside and in the barns. Please bring leather gloves and safety helmet.
