

Large Animal Emergency Rescue Training

June 14, 2025 9am – 12pm or 1pm – 4pm

June 28, 2025 9am – 12pm or 1pm – 4pm

To be held at the

LAPS Farm, 29 Keller Road, Cochranville, PA 19330

A training clinic is being offered to educate first responders, horse owners or anyone interested in learning basic large animal rescue techniques instructed by Fair Hill Emergency Response Team. Please bring your own drinks. Thank you, Large Animal Protection Society for allowing us to use your facility.

Do you know what to do in a large animal emergency? Are you prepared with equipment, know who to call, what to do? Whether you are a public safety official, a first responder, a veterinary professional, or an equestrian, this course is essential to prepare you for an emergency. You will learn how to move large animals safely and quickly in cases of disaster or injury, while preventing potential injuries to the humans involved. The course offers instruction and hands-on scenarios using specialized equipment and equipment that may be readily available to first responder departments.

Registration is limited so please register early. Cost is \$50 per person. First responders and veterinarian professionals are \$25 per person. Dress appropriately, inside area available for inclement weather. Please bring leather gloves and safety helmet. For more information, e-mail fairhillert@gmail.com Phone contact # 443-810-5777
