**Shakespeare-In-The-Park's *Romeo and Juliet*  
Breaks our June Record at Thornden Park's Amphitheatre**

**Syracuse** – *Romeo and Juliet*, our 6th June show in the **Shakespeare-On-The-Grass** series, was a smash hit for its five shows from June 2nd through June 11th. Enhanced by the exquisite ballet from **Syracuse City Ballet** and English country dancing of **Open Hand Theater's** puppets the production drew 1,300 people to the Park despite stiff competition from Taste of Syracuse, JazzFest & Greek Fest. **400 SCSD 8th graders attended a special 10 a.m. opening day show from Huntington, Roberts, Ed Smith and HW Smith.**

**Aaron Alexander as Romeo and Bella Calabria as Juliet "knocked it out of the Park," according to the responses of our audience members who completed our post-show survey.**

**Make your plans NOW to see our 8/11-8/20/17 show-**
