Syracuse Shakespeare-In-The-Park can accept one (1) application for its 2019 theatre program entitled, "Kids Doing Shakespeare," (KIDS) set for *July 8th through 12th, 2019, 10 am to 3 pm daily*, for students entering grade 5 through 12th graders. Rookies and returning students will be taught together in **Thornden Park's Carriage House** in cooperation with the **Syracuse Parks, Recreation & Youth Programs Dept.** This exciting programming mix of speaking skills, stage techniques, costume design, set painting and Renaissance music & dance usually sells out quickly so don't delay. All students will perform some part of the chosen scene, as a culminating activity, on the last Friday of our intensive (but fun) theatre week. The scene will be selected from our 2019 main stage production of *The Tempest*. **Eleven students have already signed up for this great course.** *Your last chance at \$155 tuition (less than half other programs around town) including snacks and supplies, is incredibly reasonable at a bit more than \$6 per class hour. We have been able to keep the cost low due to the generous support from the **John Ben Snow Foundation** and **Syracuse Parks**.*

A completed page 2 of the application and a check payable to SSITP will reserve your child a place in the class; first come, first served.

Fees may be waived at the discretion of the SSITP Board of Directors based on need after a review of each application submitted. All participants must bring their own lunch (except our last day lunch from **Brooklyn Pickle**) and provide their own transportation. Snacks will be provided each day and all students get a prize on show day. **Don't be disappointed! Get your child in the oldest and best program in town!**

*Applications are available by contacting **Ronnie Bell**, online at our website, www.ssitp.org or by registering online at TicketLeap.com*
